

MOBILAIR® M 82

Compressed air treatment

Technical specifications

| Model | Compressor | | | | 4-cylinder diesel engine (water-cooled) | | | | Complete system | | | | |
|-------|--------------------------|--------------------------|---------------------|--------------------------|---|------------|--------------------|--------------------|--------------------|------------------|-------------------|----------------------|-----------------------|
| | Flow rate | | Working pressure | | Make | Model | Rated engine power | Speed at full load | Fuel tank capacity | Operating weight | Sound power level | Sound pressure level | Compressed air outlet |
| | m ³ /min | cfm | bar | PSI | | | | | | | | | |
| M82 | 8.4 6.8 6.1 5.5 | 295 240 215 195 | 7 10 12 14 | 100 145 175 200 | Kubota | V3307-CR-T | 54.6 | 2400 | 140 | 1580 | ≤ 98 | 67 | 1 x G 1½, 3 x G ¾ |

¹⁾ Applies to standard unit incl. chassis with overrun brake, without air treatment

²⁾ Guaranteed sound power level as per 2000/14/EC

³⁾ Measuring surface sound pressure level as per ISO 3744 (r: 10m)
